About Us:

Crawford County Health & Human Services is a compassionate and client-centered integrated clinic dedicated to supporting individuals struggling with substance use and mental health conditions. Our team provides evidence-based care in a collaborative and supportive environment, helping clients achieve lasting recovery and improved well-being.

Position Overview:

We are seeking a dedicated Masters-Level Therapist to join our team and provide high-quality therapeutic services to individuals facing substance use and/or mental health challenges. The ideal candidate will have experience in mental health and addiction treatment, strong clinical skills, and a passion for helping clients navigate their recovery journey.

Key Responsibilities:

- Conduct comprehensive assessments and develop individualized treatment plans
- Provide evidence-based individual and group therapy for substance use and mental health disorders
- Collaborate with a multidisciplinary team, including psychiatrists, psychiatric advance practice nurse practitioners, case managers, and other professionals
- Utilize motivational interviewing, cognitive-behavioral therapy (CBT), and other best-practice approaches
- Maintain accurate and timely documentation in accordance with clinic policies and ethical guidelines
- Offer crisis intervention and coordinate care with external providers as needed
- Participate in team meetings, supervision, and ongoing professional development

Qualifications:

- Master's degree in social work, counseling, or a related field
- Wisconsin Licensure (or eligibility for licensure) as an LCSW, LPC, LMFT or APSW, LPC-IT or LMFT-IT
- Experience working with substance use and mental health disorders preferred
- Knowledge of evidence-based treatment modalities, including trauma-informed care
- Strong interpersonal, organizational, and communication skills
- Commitment to a client-centered, strengths-based approach to treatment

Why Join Us?

- Supportive Work Environment: Collaborative team with regular supervision and consultation
- Growth Opportunities: Ongoing training and professional development support
- Work-Life Balance
- Impactful Work: Make a difference in the lives of individuals on their path to recovery

If you are a compassionate and skilled therapist looking to work in a dynamic and supportive setting, we would love to hear from you!
