Agenda

- Introductions

- Nikki Dudley, Driftless Development, Inc. (DDI)
Introduce LOIS (Location One Information System), a commercial real estate database widely used by site selectors to identify communities for business and housing investment. Wisconsin recently subscribed to this tool at the state level, and DDI is working to ensure Crawford County properties are visible and competitive on the platform.

- Updates
 - City of Prairie du Chien Updates
 - Couleecap Program Updates
 - Other partner updates?

- Opportunities for Collaboration

- Next Meeting: July 8, 2026 @ 9:00
